

C#.Net developer (employee)

Company: EROWZ SPRL, Enghien/Edingen

Contact: Charlotte Arnould, car@bcdotnet.be.

Are you a talented .NET/C# developer? Your acquired knowledge deserves better than a public institution or a bank! Come and join an existing start up that offers a stable position and where your creativity and inventiveness will help grow the product.

We offer a competitive salary and you can avoid daily traffic jams!

Who are we?

eRowz is a young company created in 2011, which build a search engine for second hand products. Everyday millions of products are offered for sale by hundreds of thousands of sellers on various websites. By gathering 500 million second hand offerings in 1 place and building algorithms to understand all of these offers, we want to make it easier to find second hand products.

We currently drive 7 million monthly visitors to our sites. (www.site-annonce.fr, www.in-vendita.it, www.for-sale.co.uk, www.gebraucht-kaufen.de, ...)

eRowz aims to become world class in the art of gathering and organizing data to create powerful end user applications. We want to do this in a way that scales easily to different countries and different product categories.
